\* Chicago Scoring: Each player, according to their handicap, starts with a quota. Once they meet that quota, they then get into positive numbers. Each bogey is worth 1 point, each par 2 points, birdie 4 points, eagle 8 points. There are no negative points for scores worse than bogey.

\*\*Two Man Select Drive: Both Players tee off and select the best drive. Both players then drop their ball there and play their ball in. Score for the hole will be the combined score of the two players.
